

Decongestant 5

featuring

ARCANA 2022

October 7-9, 2022

(Postponed from 2020 and 2021)

Decongestant is a small SF/F convention geared primarily towards relaxation, with good food & drink, music, 24h gaming, and a teen room.

Since it worked so well last time, we are again featuring ARCANA, the convention that celebrates The Weird, The Macabre and The Dark Fantastic. For further information about past Arcana conventions, please visit arcanacon.com

We will also have our usual (non-horror) light programming.

Where is it?

The Hilton Bloomington, 3900 American Blvd West, Bloomington MN. We have function space on the 2nd floor: a two-room consuite, two boardrooms and a medium-sized function-space-type room. It's a really nice hotel.

How much is it?

Pre-register by Sept 8, 2021! You get a beautiful pre-printed badge & we can plan better if we know you're coming.

21+ pay \$50. Short on cash? Pay \$40 – no questions asked (nor do we publish who paid what).
Shorter? Email decongestant5-aid@mnstf.org and let us know your situation.

13-20, *young fans*: \$10. Under 13, continuously supervised (*kids*): \$0. Free rangers under 13 are *young fans*.

You can buy a supporting membership for \$15. It can be upgraded to attending at any time for the difference in the rates.

At the door: \$60. *Young fans* \$20, *kids* free. One-day \$40, just-a-few-hours \$20, and really-just-an-hour \$10.
