

THE TWICE & FUTURE

# FINBLATT

THIS thing is being perpetrated by Jim Young and Ken Fletcher on April 15, 1969 as an Official Publication of The Minnesota Science Fiction Society, Minn-Stf. Kept Press Pub Number 26. MINNEAPOLIS IN '73!

Believe it or not, we now have 125 people to mail this to in the Twin Cities area, and this is the last time we don't use a bulk-mailing rate for something like this...

NEXT MEETING OF THE MINN-STF AT FRED HASKELL'S SATURDAY, APRIL 19th!

Yes Friends, you too can come to the Minn-Stf meeting this coming Saturday. It's going to be at the party room at the apartment house at which Fred Haskell lives (4370 Brookside Court; Edina). A map is included on the obverse of this coin to fill you in on how to get to the meeting.

To enter the Lounge, you must pass through some locked doors. Press the button for Apartment 21h and ask to enter for the Minn-Stf meeting, or during the meeting, just ask to enter after pressing the "Lounge" button. The times for the meeting are from noon to five or so.

FOR INFORMATION CALL: Haskell: 331-4944.

### RUNE AND THE BULK-MAILING RATE

Because the RUNE (the club's official newsletter) is now reaching over 200 people, we're filing for a bulk mailing rate, and the next issue will not appear until we get the bulk rate. This should be some time next week. (Notice how this typewriter is acting up on me? It's Ken Fletcher's, that's why.)

### GALAXY SOLD TO UNIVERSAL PUBLICATIONS

The entire Galaxy chain of SF magazines was bought last week by Universal Publications, a large paperback and magazine company. Only printing and distribution methods will change...hopefully much for the better. Offices have changed too, but no change in staff.

### FOR MORE INFORMATION ON THE MINN-STF MEETING

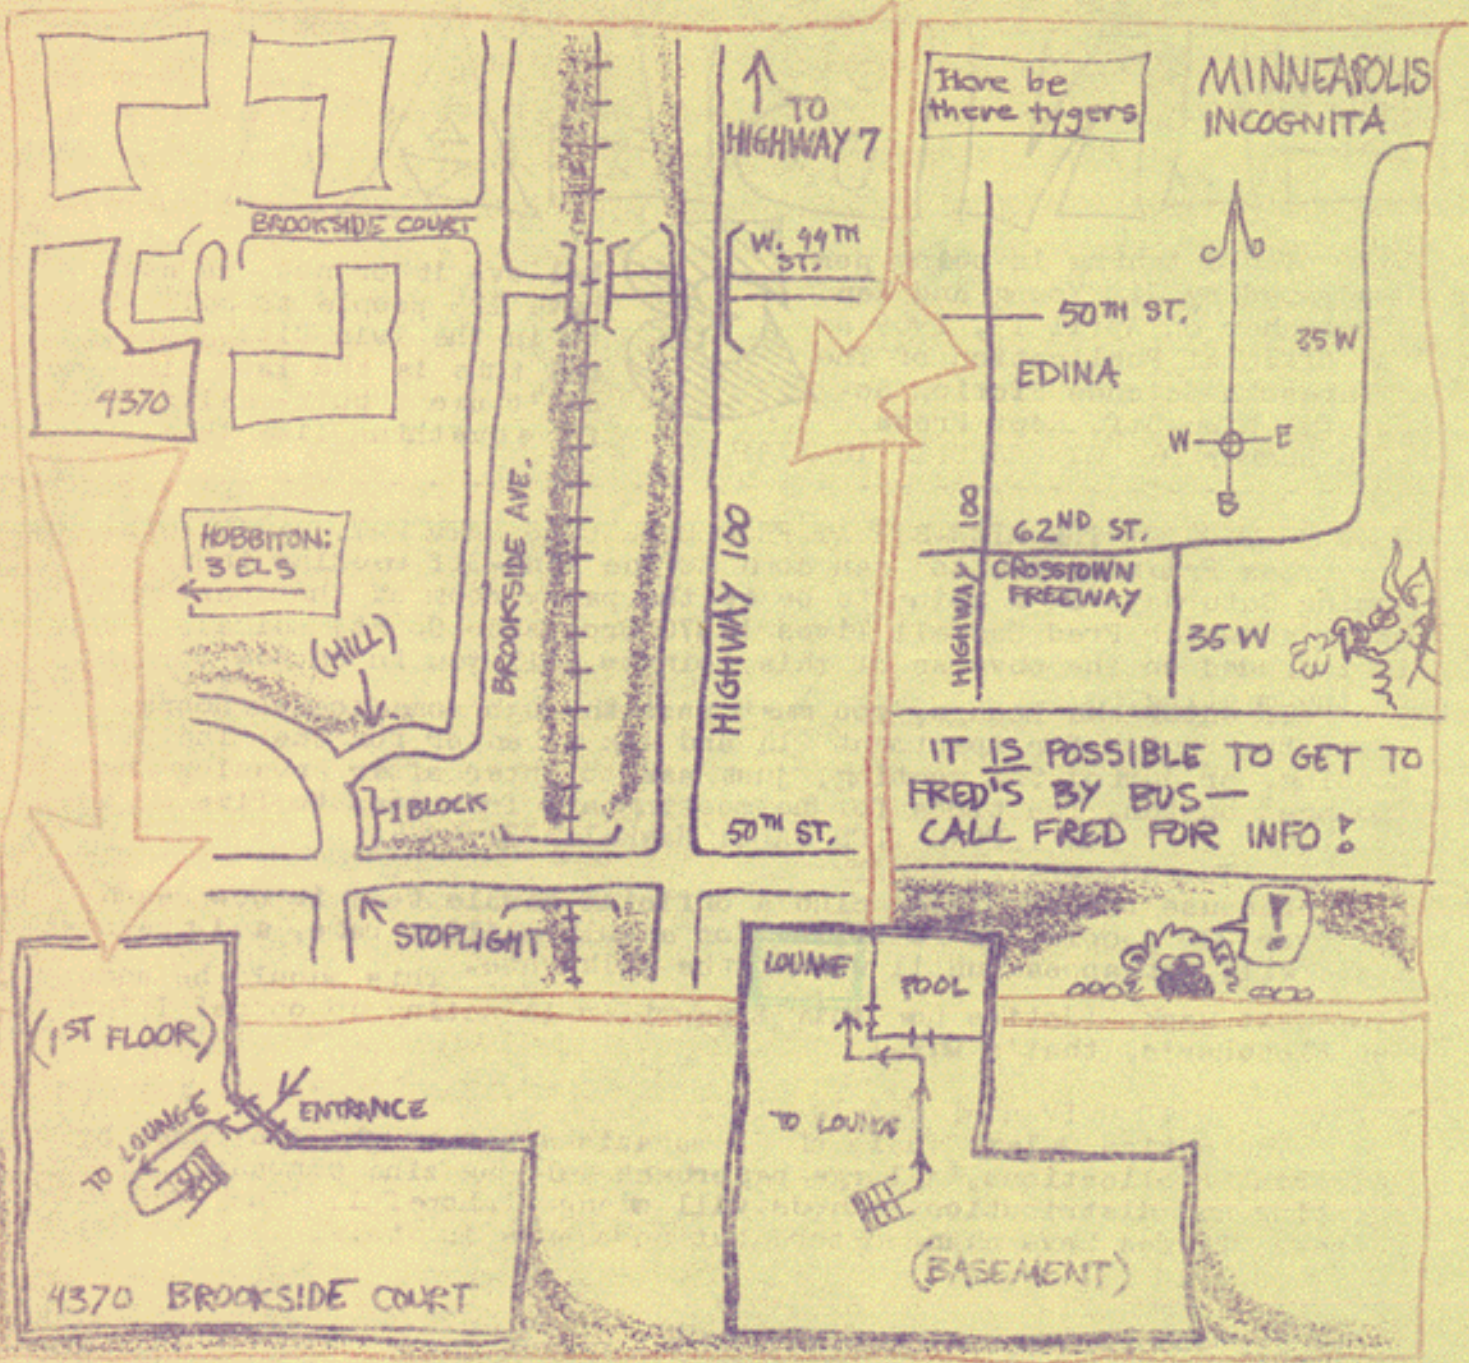

You can also call the club President, Frank Stedolka (625-6155) or the club's secretary, Ken Fletcher (645-2196.) Don't call me, I can never any help. (Look at how I've confused this typewriter!)

### JOHN WYNDHAM DEAD

John Beynon Harris, who wrote under the name of John Wyndham, died in late March at his home in England. He was the author of many famous SF books including Day of the Triffids.

SETH JOHNSON PASSED AWAY March 11th. Seth was active in N&F for many many years, and was a friend to nearly everybody. He'll be missed.

FOR MORE INFO on the RUNE coming up next week, it'll be nice and microtyped. This thing is available from Fletcher at 1101 Broadway Avenue; St. Paul, Minnesota; 65108.
