

Minnesota Science Fiction Society Directory Form

We are planning a completely new membership directory; if you want to be included you'll have to complete and return this form. The new directory will be in both paper and electronic media; you can be in one or both, with whatever information you choose.

Directories are for the personal use of the recipient and are not to be passed on to others without specific authorization from the Minn-Stf board of directors (that notice is on the directory itself). The electronic version will not be available online.

Either medium (or both) of the directory is available to the following: anyone listed on either medium; anyone who has turned in a form for the next update; Minicon GoHs who request a directory; other fans at the discretion of the board or designated representative.

This form can be hand-delivered to the current Directory Maintainer, or mailed to Minn-StF, P.O. Box 8297, Lake Street Station, Minneapolis, MN 55408.

Please fill in complete contact information for the use of Minn-Stf administration only, then check the appropriate boxes (ALL information or specific items). If you do not check any boxes, we will treat all information as “do not publish” and you will not be listed in the directory.

Note: Additions to Directory information must be made via this form. Only corrections or deletions will be accepted electronically.

[Ⓞ] Selecting this option means the data is only available for internal club use – generating mailing lists, whatever, it will be included in The One True Mailing List database if it is ever reformed, but will not otherwise be published. Selection “All Information” for either or both editions will have precedence over this.
