

Einblatt

April, 1980

Published by the Minnesota Science Fiction Society, Inc., P.O. Box 2128,
Loop Station, Minneapolis, MN 55402.

Edited by Carol Kennedy and Lee Pelton. Correspondence c/o Lee, 2726 Girard Ave.S.,
#101, Minneapolis, MN 55403.

Enclosed is a copy of Minn-STF's Articles of Incorporation, along with the
new By-Laws recently passed by the Board. Most of the changes made were in the
structure, not the content: clarification, consolidation, elimination of
contradictions, etc. The section on conventions was reworded so that it now
applies to any con put on by Minn-STF, not just specifically "Minicon".

If you have any questions or suggestions for future changes, talk to any of
the Board members.

Many items have been left behind at meetings and parties. There is a "Lost
and Found" box which generally travels from meeting to meeting. If you've lost
something, please check there.

Generally, all Minn-STF meetings and many parties are "Bring Your Own" for
drinkables and munchies. Because it is inconvenient for some people to do so,
and because some forget, money will be collected at future meetings to replenish
the supply. Please contribute either supplies or money proportionate to what
you consume -- and those who are able might add a little more for the times
when you aren't able to...

As a courtesy, please check with the host of any open party, and Bring Your Own
if he/she requests.
