

APRIL '81

The now and again newsletter by and for the Minnesota Science Fiction Society. Mr. and Mrs. Society pick up their mail at Box 2128, Loop Sta., Minneapolis MN 55402. EINELATT is edited by David Stever-Schnoes, John Bartelt, and Garth Danielson.

Minn-Stf heralded the coming of spring by electing a new Board of Directors at the meeting of 21 March. The sacred bones came up a five again, so the five members of the board are: Jonathan Adams, Jan Appelbaum, Don Bailey, Carol Kennedy, and Dave Wixon. Then, as if that weren't enough, the new board has decided that the club officers for the coming year (coming after Minicon) will be: President- Judy Clicain, Vice-President- Steve Brust (type casting there), Treasurer- Joel Halpern, Membership Secretary- Dean Gahlon, Corresponding Secretary- Mark Richards, and Directorial Secretary Lynn Anderson. The Board came up with a dandy title for Lynn, but no one that we talked to could remember what it was, so the one listed here was made up on the spot...

Also at the election meeting, the New Rune editors put out. Their first New Rune, issue 62. They said it couldn't be done, but then we don't know who "they" are, either.

Upcoming Minn-Stf events:

- 17-9 Apr. Minicon. Raddisson Hotel, Downtown Mpls. Did you have a good time?
- 1 May Deadline for material for RUNE 63. The Special Altered States Issue. We won't even hit you if you give us material on the 14th, 15th, 23rd, etc...
- 2 May Minn-Stf meeting at Floyd Henderson's-- 9837 Chicago Ave. S, Bloomington 55420; 884-3659
- 16 May Meeting at a site to be determined. Is also National Defense Transportation Day, so be sure to drive on an Interstate Highway.
- 23 May Stipple-apa collation at Judy Cilcain's-- 2416 25th Ave. S, Mpls. 55406; 722-0970
- 30 May Meeting, again, we know not where. The anniversary of the deaths of King Arthur (542), and Jeanne D'Arc (1431).

All meetings are Bring Your Own. Remember that with the spring, a frisbee is always in good taste.

EINELATT

The list of meetings is very short this time due to the turnover of officers. The list in the next RUNE should be a mite longer, and take us into the summer.

This issue contains the most recent update of the Minn-Stf Directory, which is maintained by Lynn Anderson, and is only as accurate as the information that you give to him. The Directory like the TV guide in the Sunday paper is meant to be saved, and looks really good next to your phone, or on your fridge with those funny little plastic fruit that have the magnets on the back. Note the fine decorator colors, too.
