

Dec 1981

Just another EINBLATT!, from the Minnesota Science Fiction Society, PO Box 2128, Minneapolis, MN 55402 (Loop Station, by the way). Edited, more or less, by David Stever, John Bartelt, and Garth Danielson. Except Stever's in Chicago.

The STEVERTORIAL (by John Bartelt)-- Why This Issue Is Late. Part of the reason is the slow mail at Christmas time. Part isn't.

"All the news that's STF we print."

By the way, for all you peripatetic MNSTF members, if you want your change of address to be listed in EINBLATT! or RUNE, let us know. It also would help us if you could let us know so we can keep our mailing list up-to-date.
