*******************************HUMBLE GROVELING DEPARTMENT:*******************************

In May EINBLATT, I botched the spelling of Megan Lindholm & phone number of Charles Piehl; in June, it was spelling of Mickey Zucker Reichert and title of Gordy Dickson's THE OUTPOSTER--though I still think there's a fab book to-be-written called THE OUTPOSTER. I also incorrectly implied that Uncle Hugo's was closing out sales on all games, not just those already discounted; and I thought June 22 was a Saturday.
