ANNOUNCEMENTS

Eric Heideman is soliciting material for a MNStf-funded imaginative fiction magazine, Tales of the Unanticipated. He is seeking science fiction and fantasy short stories, SF/fantasy poetry, and cartoons. Other needs may include story illustrations, SF/fantasy criticism, and speculative science articles. Before submitting material, call Eric (825-9353) or send a self-addressed, stamped envelope to P.O. 8036, Lake Street Station, Mpls, MN, 55408, for detailed guidelines.

From Corroboree Press: Our sixth title, Kate & Richard Wilhelm's THE HILLS ARE DANCING, is nearing completion. The book combines Kate's non-fiction account of an exploration of Oregon's wilderness area with Richard's black & white photography. It offers tantalizing bits of autobiography, insight into several of her stories, and commentary on the durability and adaptability of life considered on a geological time scale. Come visit us in the huckster room; we'll be happy to show off page galleys, dustjacket prints and the like, and to take orders for the book (to be shipped in May).

Also at Minicon, we are offering R. A. Lafferty's THROUGH ELEGANT EYES, a deluxe hardcover edition, at a special price of only \$8.00 for Einblatt readers; tell us that you saw the offer here!
