

MINICON 40

DAILY

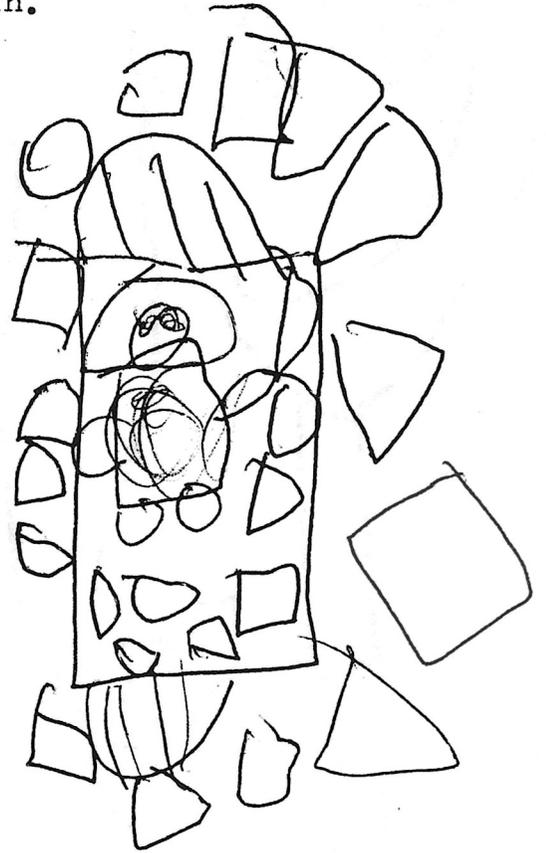

HOWLER

Once Upon A Time there were two little girls.

One was Celia and one was Aurora.
But the prettiest one was the bunny Flower.
They lived in Hawaii. They visit Madison, Wisconsin.
They went to Australia, and then to New York City,
and they finally came back home.

Soon Flower would have a birthday,
so they went to town to buy the presents.
Flower woke up surprised because
there were 50 presents,
and they were all around her bed.

KIEFAM

This year at minicon the Dungeons and dragons the kids Jory, Rand, Alec, Rachel, Kyle, William, and Neysa play a lot of Dungeons and Dragons. The games point is to kill monsters. Jory has the second highest Hit points (HP), William has the highest HP. He has 40 HP. Neysa had to leave so I took her place. We were in caves playing against monsters. It was a exciting game, But it was tough.
