

Progress Report 1

MINICON 46 is just around the bend, and we have author Charles Stross and musician Chas Somdahl as our Guests of Honor. As usual, our home will be the Sheraton Bloomington Hotel in Minneapolis on Easter weekend, April 22-24, 2011. For details, visit our website at www.mnstf.org/minicon46/.

Guests

Charles Stross is our Author Guest of Honor. He is a recent Hugo winner for his novella "Palimpsest", and has a string of hit science fiction novels including *Saturn's Children* and the *Laundry* series. He is visiting us from Edinburgh, Scotland to see how Midwest Americans like to party.

Chas Somdahl is our Musician Guest of Honor, and he is a well-known favorite at conventions across the country. Fans will be able to see him perform at the con as part of the group Riverfolk, and at the late night music circles and jam sessions.

Art Submissions Needed

Last but not least, we have no artist Guest of Honor this year, so we are looking for art to put on badges, the program book, and on the official Minicon 46 t-shirt! Art deadline is January 15, 2011. Full details available at www.mnstf.org/minicon46/.

See you at the con!
