Wireless Connections

Looking for wireless internet? There's been some confusion over whether it's free to Minicon attendees this year. As it turns out, it is! Make sure your wireless NIC is activated and connect to the hotel's wireless network, GlobalSuiteWireless. Start your web browser to log in. If your browser hesitates, go to 'services.globalsuite.net'. The password is: **VPP3CP**. If this fails to get you online, you can call the hotel's toll-free support line at 1-877-755-0550.
