

# Mpls in 2073 Progress Report 10 – Nov 2018

We continue! Come see us at Capricon & Spikecon in 2019!

In 2017 and 2018, we have taken in \$520.56, 0.20€, a 2014 Fermilab shutdown planner, 2 New Horizons stickers, and 5 Heinlein ribbons—purported to be worth as much as \$4. We've spent \$415.11 on parties (not including Windycon) and \$151.74 on printing & mailing. ¶ No ribbon goes uncounted! and we'll need to order more soon. A new, fourth, design is in the works as our 2nd decade approaches.

Would you buy a shirt with the design on this postcard? Bloggers: exercise your options!

What time of year should we hold our Worldcon? Do we have Minicon that year too? If not, should we have Worldcon over Easter weekend? Probably not! But that would make it Thursday-Monday March 23-27, 2073.

We have 939 members! Thanks to new non-dodo presupporters Abby Trevor, Amity Worrel, Amy Dekker, Amy Thomson, Ann Marie Rudolph, Beth duPont, Bill Lawhorn, Brenda Waldrop, Brittney Gulden, Cathy Carlson, **Ceridwen Anne**, **Christopher L Pesl**, Dale Lowry, David Benhart, Deedee Lessinger, Dennis R Bagley, **Denny Lien**, Ed Washborn, Ellen Schousboe, Ern Larson-Lord Bobbins, Fringe 2166, Giggles, Glenn McDavid, Greg Tatusko, Kaylo Kinn, Kendrick Blais, Kit Stubbs, PhD; **Lance Hudson**, Lee Merrick, Margie Lessinger, Mira Kumar, Miriam Kelly, Nexis Fiskewold, Pam Black, Pat Hario, Pati Bagley, Pete Weiler, Rachael Sterling, Rae Lundquist, Raederle Sterling, Shannon Adair, Susan Watson, **Terry A Garey**, Tina Jens, Tyrell Gephardt, and Yvonne Schram!
