

Decongestant 3

September 28-30, 2018

What's this, then?

Decongestant is a small SF/F convention geared primarily, but not exclusively, towards relaxation. It has good food & drink, music, 24h gaming, a teen room, a bit of programming, and whatever else you bring. If you were at Decongestant 1 or 2, you can expect something similar. Programming has ranged from light ("Crafty Time"), to in the middle there ("Astrophotography slideshow") to rather serious ("How *not* to read a legal document").

Where is it?

The Hilton Bloomington, 3900 American Blvd West, Bloomington MN. See mnstf.org/decongestant3 for reservation information.

What space does the con have?

We have several small-to-medium rooms on the 2nd floor. There's a two-room suite, a boardroom and two function-space-type rooms. It works really well. There is more room in the hotel, and given sufficient interest, we can probably use it. **This is an expandable con.** If you want to run a large game, create a new department, or have some other cool idea, let us know.

How much is it?

Pre-register! It is cheaper, you get a beautiful pre-printed badge, and it really helps us to know you're coming. Deadline: Sept 10, 2018 (*postmark* for mailed registrations).

Those 21+ pay \$50. Short on cash? You may pay \$40 - no questions asked (nor will we publish who paid what). Shorter on cash? E-mail decongestant3-aid@mnstf.org and let us know your situation.

13-20, *young fans*: \$10. Under 13, continuously supervised (*kids*): \$0. Free rangers are *young fans*.

At the door: \$60, or \$20 for *young fans*, free for *kids*. Day memberships \$40, just-a-few-hours memberships \$20, and really-just-an-hour memberships \$10. These are only available at the door.

How do I join?

See mnstf.org/decongestant3 or send this to Mnstf, Lake Street Station, PO Box 8297, Mpls MN 55408. Checks to "Minnesota Science Fiction Society" (not to "Decongestant", please).
