ANOKON 2

ANOKON 2 will be held the weekend of September 14-16 at the Anoka Holiday Inn in Anoka, Minnesota (suburban Twin Cities - northwest of Minneapolis). It will be a small party con for Minn-STF and friends. An announcement will be sent to everyone on the EINBLATT mailing list. If there is anyone you feel should receive an ANOKON announcement who may not receive EINBLATT, either inform him/her yourself, or send her/his name and address (ZIP necessary) to ANOKON at the Minn-STF return address below. Notify us by July 1 if possible.

ANOKON is supposed to be a small convention for Minn-STF and friends. PLEASE DO NOT PUBLISH the ANOKON information or any announcement of it in fanzines or prozines.

Minn-STF is in possession of many strange and wonderful (but mostly strange) objects which were left at Minicon. If you lost something in that category, please send a description of it to the address below and we will try to match you with your lost treasure. (If you lost your youth, your innocence, or your sanity at Minicon, we are Not Responsible.)
