MINUTES OF THE SEPTEMBER 25th MEETING:

President Denny Lien called the meeting to order at 3:05 pm, appointing David Emerson as temporary acting secretary pro tem. Several announcements of an ephemeral nature were made. Scott Imes announced Gordon R. Dickson Day to be held October 9 at B. Dalton's in Southdale, and asked for fan support. Since October 9 was a scheduled Minn-stf meeting, the members agreed to hold the meeting in conjunction with the festivities at Southdale. This led to a discussion of future meeting dates and places. It was agreed to have a one-week interval at one point in place of the customary two weeks, to allow for ICON on November 6.

Scott Imes announced that the party supplies from Minicon 11 were just about used up, and ideas on how to raise money for supplies for future meetings would be welcome. It was further announced that we were now out of stale pretzels and peanuts. As the cheers greeting this news died down, the comment, "But what about stale ditto-master pizzas?" was heard.

Greg Ketter announced that he is intending to drive to ICON and is looking for passengers. Emerson announced that RUNE had some books to be reviewed, and called for volunteers to write reviews and/or other articles.

President Lien announced that on the following day he would be 31 years old, and hence untrustworthy; and that he would entertain motions for impeachment. Instead, it was moved that he turn 27 rather than 31. This motion, with

the amendment that within the city of Minneapolis only, he should turn 73, was moved, seconded, and passed overwhelmingly. It was then moved, seconded, and passed to sing "Happy Birthday", which was then sung.

The meeting was adjourned at 3:29 pm, after which things got very silly.

ANNOUNCEMENTS:
